## SENIOR PORTRAIT ORDER FORM

Please keep in mind that your printed proofs are only samples to be used when ordering your final prints. All printers interpret exposure, color, clarity, etc. slightly different. If you want to adjust any details about your prints, it is your responsibility to communicate this with your photographer. We will do everything within our power to give you the best possible final product, and it is our ultimate goal to give you outstanding quality and customer service.

You may mix and match any poses to come up with the total number of prints below.
